#CEBioForum2024

about us

CEBioForum is existing for over 20 years gathering people contributing to the development of biotechnology in Central and Eastern Europe. CEBioForum is for professionals in the field to connect, share ideas, and form partnerships that could lead to joint research projects, co-development of technologies, and knowledge exchange. It is a networking platform for people who want to stay updated on the latest developments and trends in the industry. Moreover, it's perfect place to meet in one spot representatives of rapidly developing Polish biotechnology sector.

#CEBioForum2024

previous editions: 2023

In 2023, the conference gathered nearly **400** participants from **165** different institutions and companies

Participants came from **14** countries

We listened: **5** discussion panels, **16** BioTech Pitch and **6** lectures

We honoured CEBioForum Awards 2023 in **3** categories

#CEBioForum2024

previous editions: 2022

The 2022 edition was unique due to its 20-year anniversary

- Nearly 400 representatives of the biotechnology industry from Poland and the world participated in it
- 15 companies and scientific institutions had the opportunity to present themselves during this event
- 10 thematic panels and numerous b2b meetings were held
- During the CEBioForum Awards ceremony, awards were given in 7 categories

venue of CEBioForum 2024

Cambridge Innovation Center

Chmielna 73, Warsaw | Poland

CEBioForum is your point of contact to enter the CEE market!

We chose the CIC Warsaw for the implementation of our event because it's a vibrant spot for innovators on map of entrepreneurship.

In just a few years, CIC Warsaw has become the center of gravity for innovation, business, and next-level collaboration in Poland and the wider CEE region.
