European Business Development Conference

IT-Exhibition 7 October 2014

The Venue

The entrance hall of THE WESTIN BELLEVUE HOTEL DRESDEN offers everything needed for a successful exhibition. With more than 200 square meters in size the hall can be used for presentations of software and services, host the conference registration and serve as central area for the coffee breaks. Each exhibition booth serves as a meeting point in the one-to-one meeting partnering system. Exhibitors will get as much attention from the conference attendees as possible with this location.
